

Mason Stevens Super

ISSUE DATE: 14 DECEMBER 2018

This notice dated 14 December 2018, updates information contained in the Managed Portfolio Disclosure Documents (MPDD) offered through Mason Stevens Super (an APRA-regulated fund ABN 34 422 545 198). Please refer to the relevant MPDD for full information relating to Indirect Cost Ratios (ICRs).

The below table provides an update to the ICR disclosed in the relevant MPDD. Updated numbers have not been provided for those estimates that have not changed since the most recent issue of the MPDD.

Indirect Cost Ratio (ICR)

Where a Managed Portfolio's investment universe includes securities such as managed funds, ETFs or LICs, the issuers of these financial products may charge management costs (including performance fees) and transactional and operational costs. These indirect costs are deducted from underlying investments in the Managed Portfolio. You should refer to the relevant product disclosure statement for full details on the fees and costs charged by the managed fund, ETF, LIC or other underlying security.

The ICR provided is an estimate only (based on the previous financial year and reasonable estimates going forward) using information publicly available to us.
